## Technology & Innovation: Threat or Opportunity for Women's Safety?

NGO CSW67 Parallel event by the Global Network of Women's Shelters

March 15th 2023, 10:30AM-12PM EST.

In-person @ the Church Center of the United Nations (11th floor).

Online via [Zoom](#).

The Global Network of Women's Shelters (GNWS) is delighted to invite you to our hybrid NGO CSW67 Parallel Event, where you will hear from a diverse group of speakers, including Generation Equality leaders and a delegation from the GNWS.

During the event, the GNWS's very own technological innovation - [Lila.help](#); the international directory for women's support services - will be highlighted. Moreover, the voices of regional representatives of the GNWS will be heard. They will provide a global overview of how technological innovations are improving women's safety as well as the digital dimensions of gender-based violence. Please join us!

Program:

- Welcome
- A word from our partners
- Lila.help: one year in
- Regional representatives: a global overview
- Q&A
